FIGHT! FIGHT! FIGHT!—yell the cheerleaders at an afternoon pep rally.

FOREWORD

Time passes, but memories remain. Alexandria, with its rich heritage of tradition, has many such memories. The very ground you are stepping on has been trod upon by history-making figures from the eighteenth through the twentieth centuries. Are not these very walls named for a forceful hero of great repute?

A school's fame is based not only on its past, but also on its present and future. Each tomorrow is soon a yesterday. You and I are the history-makers for George Washington High School.

THE FUTURE IS OURS!

THE NEWS IS OUT—Ken Dichtenmueller buys a "Surveyor" from Rose Barber.

"OUR TEAM LOOKS GOOD"—says Mr. Ford (right) to Mr. Ricer, Mr. Doran, Mr. Tabor and Mr. Albany.

George Washington High School's Athletic Department has progressed a great deal since its beginning. In 1934, when it was first organized, the department consisted of two coaches and offered four sports, none of which had Jayvee squads. Today in 1957, there are ten coaches who manage football, basketball, cross-country, track, golf, crew, baseball and wrestling, which was added this year on a non-competitive basis, in addition to Jayvee squads.

The Athletic Department, under the direction of A. E. Doran, has coached a number of champion teams. The Varsity Football team has been District Champion nine times since '34. The crew has claimed the National Schoolboy Championship four times and the Basketball team has won the District Championship eleven consecutive times and the State Championship once.

In addition to Varsity sports, 250 boys participate in Jayvee and Intramural sports.

Present G.W. coaches under the guidance of "Rasty" Doran, Director of Athletics in the city of Alexandria, are Steve Osisek, Varsity Basketball, Varsity Golf and Assistant Varsity Football; Jim Ford, Varsity Football, and Assistant Track; Bob Tabor, Varsity Track, Varsity Cross-Country and Jayvee Football; Louis Schreiner, Varsity Baseball and Jayvee Basketball; Frank Kapriva, Assistant Football; Harry Ricer, Jayvee Baseball; Tom Anderson, Wrestling; Julian Whitestone, Varsity Crew; Jack Franklin, Assistant Crew and Joseph Albany, Assistant Football.

The Senior Class, therefore, chose to dedicate the 1957 "Compass" to the Athletic Department of George Washington High School.

"WHAT'S YOUR OPINION?"—asks Mr. Kapriva, directing his question to Mr. Whitestone. Mr. Franklin, Mr. Anderson, Mr. Schreiner and Mr. Osisek wait for the answer.

SENIOR CLASS HISTORY

The 1956-57 school year was an active one for members of the Senior Class. However, in the midst of it all, they took time out to review the years spent at G.W. One memory that stood out was the first time they entered G.W. as Freshmen. The awe they felt for upperclassmen soon disappeared at the beginning of the Sophomore year. During that year, they sponsored a food dance and joined many clubs. Preparations for the Junior-Senior Prom found them as Juniors working hard for the Big Night. Then, at last, they were Seniors.

After election of Senior Class officers, it was the seniors' pleasure at class meetings to vote class dues of two dollars per student; to dedicate the "Compass"; to sponsor a four hundred dollar scholarship to a worthy recipient; to donate a gift to the school; and finally to make preparations for the Senior Prom which was held at Arlington Towers.

In the early spring, speakers for the commencement exercises were chosen from those seniors who competed on a basis of presentation of original speeches.

"THIS IS YOURS!"—Mr. Lindsey hands to Barbara Sanchez her Senior stationery while Tommy Ramey looks on.

"I WILL"—John Papageorge administers the Quill and Palm oath to Ruth Winters, Frank Reed, Jeanette Padgett, Sandra Nuhn, Bar-

bara Hall, Bob Gibbs, Betty Gaines, Billy Fidler, Priscilla Davis, Danny Costello and Rhoda Amorky.

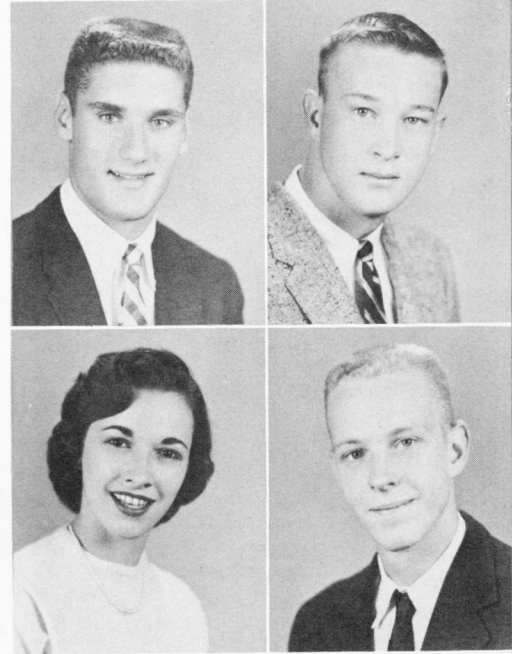

SENIOR CLASS OFFICERS

The Chief Executive of the Senior Class was Bob Garda. Setting up committees for different activities, presiding over the Senior Class meetings, and portraying Mr. Pruet on Senior Day were some of his duties. Bob was co-captain of the track and basketball teams, participated in football, and was Parliamentarian of the Quill and Palm. He was also a member of the Dance and Monogram Clubs, and Student Council.

Bob Gibbs, the Vice-President, assisted the President in his responsibilities and presided over meetings in the Prexie's absence. Bob participated in football and baseball, and was a member of the Dance and Monogram Clubs.

Rose Barber, Secretary of the Senior Class, was appointed by the President and Vice-President. Besides keeping the Senior Class minutes, Rose was a member of the Quill and Palm, the Quill and Scroll, and Assistant Feature Editor of the "Surveyor". She was also a participant in the Dance and Spanish Clubs.

The January Chairman, elected by the January graduating class, was Rocky Rothrock. He presided over the commencement exercises.

"LOOKING BACK"—Loretta Wells and Mike Witt were voted the wittiest couple of the Senior Class.

TOPS IN POPS—John Papageorge talks with Sharon Devol after being selected the Most Popular from the Senior Class.

SENIOR CELEBRITIES

The Senior celebrities were elected for those honors by members of the Senior class at various times during the year. Those seniors elected were June and January graduates.

The most popular boy and girl were Sharon Devol and John Papageorge, who were chosen for best all-around characteristics.

Hope Abner and Jim Anderson were elected the most scholarly; while the wittiest couple was Mike Witt and Loretta Wells.

Noted for outstanding athletic ability were Sally Hale and Bob Garda.

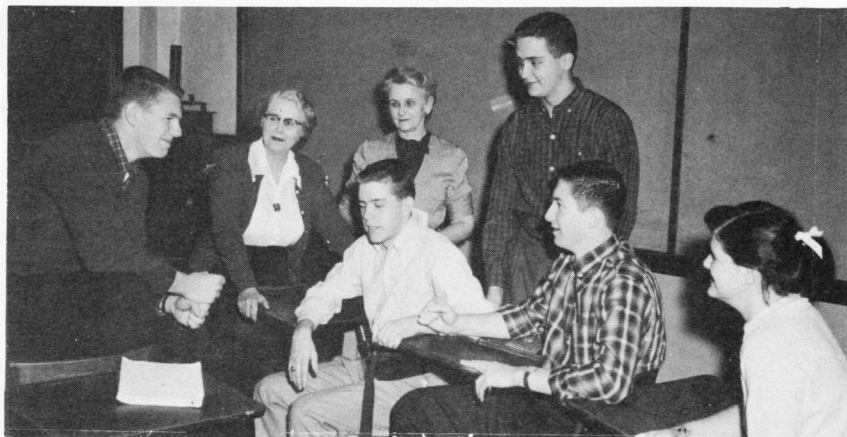

popularity highlights

WATCH OUT!—Chosen Most Athletic, Sally Hale and Bob Garda demonstrate their skill.

SCHOLASTICALLY HIGH—Hope Abner and Jim Anderson were voted Most Scholarly by the Senior Class.

New York excursion

PROGRESS REPORT—Discussing Junior Class business are the officers Dick Kemper, V. Pres.; Buddy Elliot, Treas.; Jack Flowers, Pres.; Doug Crupper, Pub. Chair.; and Graham Dunstan, Sec.; while the sponsors Mrs. Snider and Miss Guill give advice.

JUNIOR CLASS

The junior year was a year of activity for the students in this class. The selling of class cards, for the purpose of raising money, was the event that started a whirl of work. A hop was held at Christmas with a special visit by Santa Claus, who gave out the various door prizes. The class also sponsored a trip to New York for all those who cared to go. The highlight of the year's work was the Junior-Senior Prom.

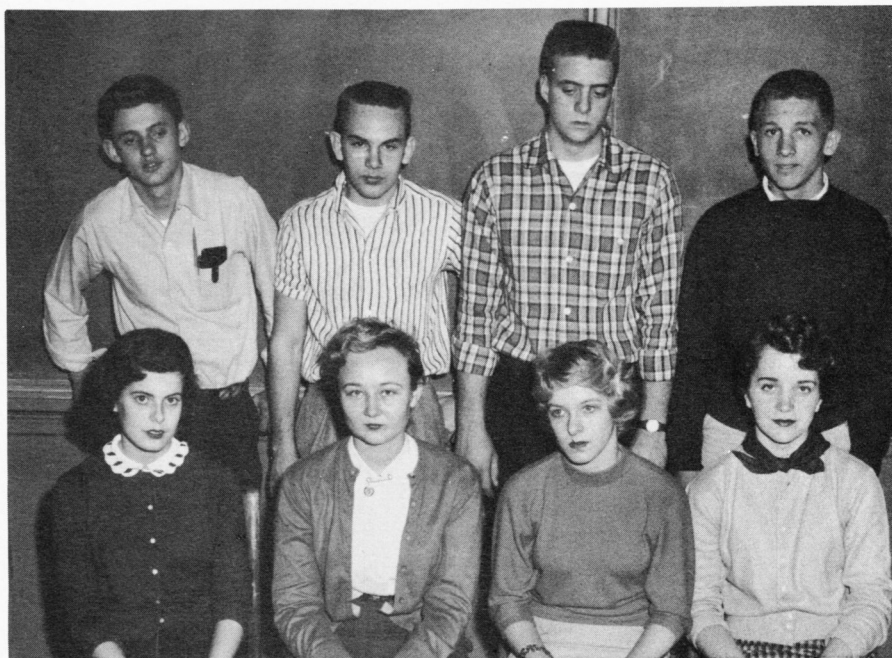

CHARTING THEIR COURSE—The Sophomore Class officers, Jean Turrell, Pres.; Dennis Shaw, V. Pres.; and Phil White, Sec.-Treas., plan future activities with the help of the Sponsors, Miss McKinney and Mrs. Butcher.

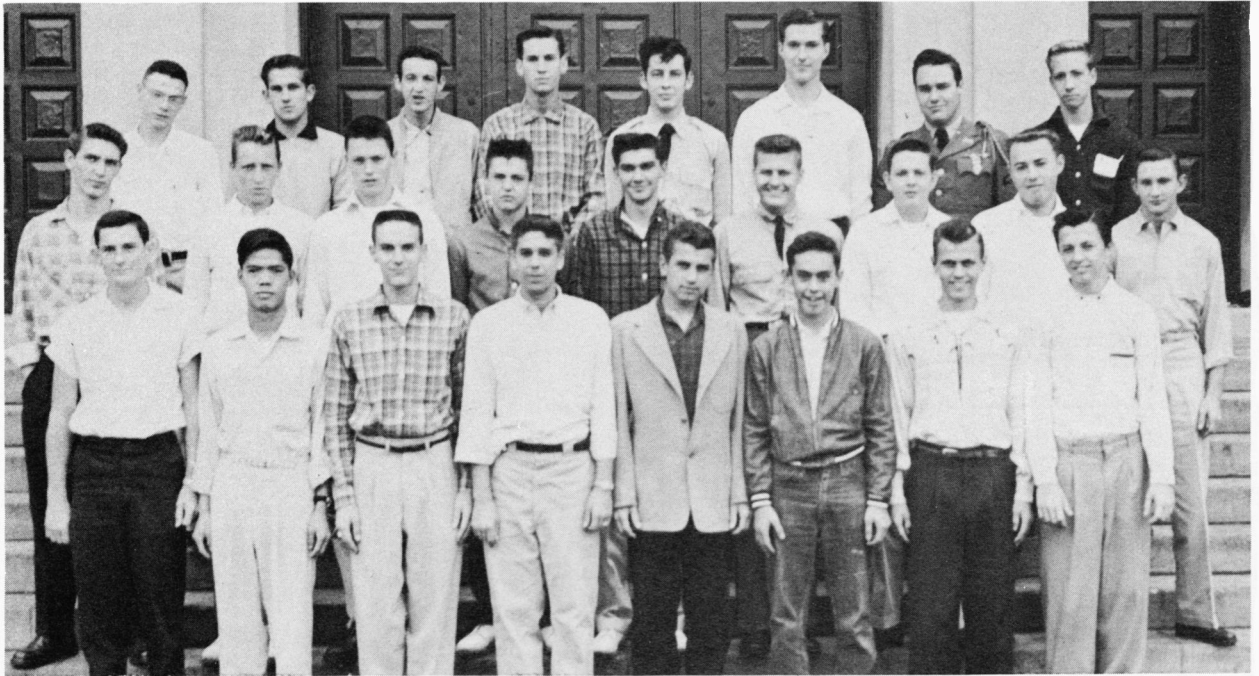

SOPHOMORE CLASS

The Sophomore Class elected a representative from each home room to attend meetings of the Sophomore Board. Here the class activities for the year were suggested, planned and put into action. At Thanksgiving, a dance was held in the gymnasium during activities period. The entire student body was invited to attend, and a can of food was the admission price. This food was divided among the charitable institutes in this district and the needy families in Alexandria. A similar dance was held at Christmas to collect toys for underprivileged children. Each student attending the dance was expected to bring a new or used toy that was still in fairly good condition.

The class planned a trip to Walter Reed Hospital at Easter. Any sophomores interested in going were to visit the patients confined for a long period.

DRAG A STAG—Admiring the posters for the Sadie Hawkins Dance are the officers of the Freshman Class, Billy Worley, Pres.; Bonny Dodd, Sec.; Tommy Richman, V. Pres.; and Tommy Morrison, Treas.; with Mrs. Moreland and Miss Currin.

FRESHMAN CLASS

The Freshman Class of G.W. High School spent a busy year in acquainting themselves with the school and its activities. They were encouraged to join certain clubs and to participate in the Student Council.

The first activity of the Freshman Class was the election of their officers. Under the supervision of the class sponsor, this was successfully accomplished.

In February of 1957, a dance was sponsored by this class. It was one of the rare occasions when a new class organized and supported an activity of this sort. The dance was titled "Sadie Hawkins," and was held after school in the cafeteria.

MR. EDGAR G. PRUET

Mr. Edgar G. Pruet, Principal of George Washington High School, is active in many organizations in the school and community.

Mr. Pruet is responsible for the smooth-working faculty and for supervising the activities of the school. He also constructs the master schedule for class and teacher assignments, including the preparation of the school calendar. Problems are brought before him that could not be solved elsewhere, some of which concern disciplinary matters and grade transcripts for college entrance purposes.

Mr. Pruet belongs to many community groups and participates very actively in them. He is a teacher in the educational division of the First Baptist Church, and serves on various committees in the church.

Mr. Pruet served as a board member of the Kiwanis Club. He is also a member of the Executive Committee of the Southern Association of Colleges and Secondary School and is state committee chairman.

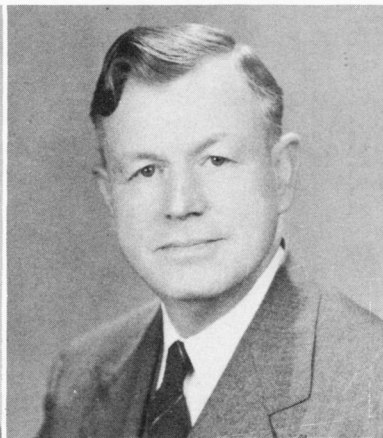

Assisting Mr. Pruet with his many responsibilities are Mr. Robert W. Garner, Dean of Boys, and Mrs. Josephine Tolbert, Dean of Girls. These assistant principals regulate discipline and other school affairs.

GUIDANCE DEPARTMENT

The Guidance Department was under the direction of Miss Jean White. A guidance official was in charge of each class, and gave counseling and advice when needed. Those officials were: Mr. Mackey, Freshmen Counselor; Miss Kinder, Sophomore Guider; Mr. McGowan, Junior Helper; and Mrs. Murden, Senior Counselor. They also administered various types of tests.

FACULTY

The faculty of George Washington High School was the key factor in maintaining the school's high academic standards. Fifteen additional teachers joined the faculty this past year.

The faculty was divided into twelve departments. These departments were: Art, Business Education, English, Guidance, Home Economics, Language, Mathematics, Music, Physical Education, Science, Shop, and Social Studies.

Each department was under the leadership of a departmental head. These heads were responsible for the activities of their respective departments.

Each department at regular meetings discussed the various methods of teaching and the outlines to be followed in the courses of instruction for the year.

INSIDE STORY—Mr. Albany explains to Steve Dunlap and Mike Conlon the inside of the car engine.

ENGLISH DEPARTMENT

The main purpose of the English Department was twofold: to give college-bound students a varied background in literature and grammar for their higher education; and to aid all students to derive pleasure from the various methods of communication.

The English Department supervised the publication of the "Surveyor," "The Little Hatchet," and the "Compass," plus journalism classes. Indirectly, they were responsible for the Dramatics Club plays, since they handled all the Dramatics and Speech Arts classes. The English Department encouraged participation in yet another project—the forensic events.

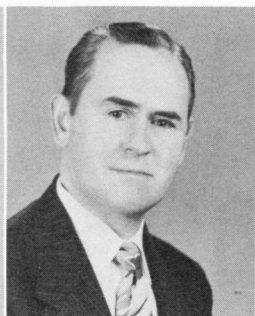

CADET DEPARTMENT

The Cadet Corps was headed by Col. Paul Mahoney. Its purpose was to give students experience in military training. It was a Physical Education substitute.

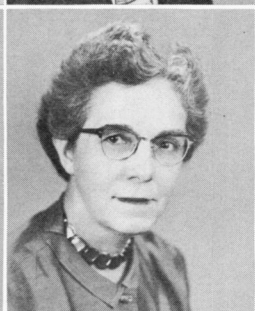

DRIVER'S EDUCATION

One of the new courses offered at G.W. this past year was Driver's Education. It was instructed by Mr. Joseph Albany. Only boys were eligible to take this course.

SCIENCE DEPARTMENT

Is not life sometimes a mystery? The study of science opened the doors to many mysteries for us. But science alone cannot do it. There will always have to be teachers to explain the developments in nature to us and to guide us.

The G.W. Science Department was headed by Mr. Archer Millican. Departmental meetings were held and teaching methods were discussed.

This year, for the first time, a Science Fair was planned by the department. The success of this first fair may determine whether or not G.W. will have future ones.

CLINIC

The School Clinic was headed by Mrs. Virginia Carr, R.N. Two students each school period assisted in regular clinic duties.

Mrs. Anne Daniel, the school dietitian, was in charge of providing enjoyable lunches for the student body in the cafeteria.

ART DEPARTMENT

The Art Department introduced various expressions and media of art. Besides sculpturing, painting, and drawing, linoleum cuts were designed for "The Little Hatchet." This year an art carnival was held.

MATH DEPARTMENT

The Math Department, headed by Mr. Irving Lindsey, was one of the largest in the school. Eight teachers offered courses in mathematics, algebra, geometry, and trigonometry. One year of math was required for graduation, but a total of five years was available.

SOCIAL STUDIES DEPARTMENT

The Social Studies Department was headed by Miss Dolly Callahan. Assisting her were seven teachers. The department instructed a total of eight semesters of history, civics, and government this year. Psychology was also included under this department, since it dealt with people and their reactions.

In the Freshman year, one semester of civics was required. Junior and Senior social studies, which consisted of American and Virginia history and American and Virginia government, respectively, were required subjects.

Elective classes were courses in World Geography and in World History.

"IN THESE CARDS"—Miss Callahan shows some information to Eve Jensen, Vida Ken and Barbara Hall.

BUSINESS EDUCATION DEPARTMENT

Modern efficiency was precisely what the Business Department had set as the sign of "teaching success." Containing the largest elective department in all the school, the Department of Business Education offered twenty-five subjects all totaled. That included General Business; Typing; Bookkeeping; Economic Geography; Consumers Education; Office and Business Training; and Business Arithmetic.

DIVERSIFIED OCCUPATIONS DEPARTMENT

Another new course offered to G. W. was Diversified Occupations. Students participating in this course attended school and worked for half a day.

The G.W. library staff was composed of three librarians and approximately twenty-four student assistants. The library contained twelve thousand books ranging from biographies to autobiographies to novels and to reference works.

PASTE AND PATIENCE—Karen Holmes, Ann Tothill and Patsy Kerns prepare new books for the library.

MUSIC DEPARTMENT

The Music Department, under the supervision of Miss Mildred Bane, offered many musical courses to the G.W. students. The singing groups open for student participation included the A Cappella, Girls' Chorus and Advanced Chorus. The Music Club was organized to encourage musical students.

SHOP DEPARTMENT

The building across from the main part of the high school is the G.W. Shop. Here the students were given a background in mechanics and some phases of engineering.

The various shop courses offered were mechanical drawing, printing, auto mechanics, metal, electricity and wood cutting. These could be taken as vocational or regular subjects.

The building, costing over \$80,000, has many times proven its worth to the taxpayers of Alexandria.

STUDENT COUNCIL

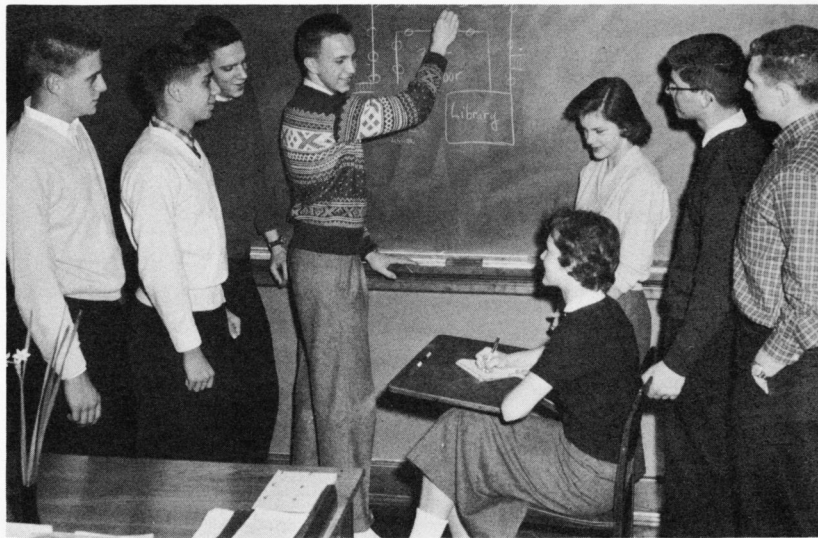

The Student Council at G.W. is a well-known organization supported by the school's faculty and the student body. The students elect a president, first vice-president, and second vice-president each spring from the Junior Class for the coming year's officers.

The purpose of the Student Council was to train the elected officers in self-government and to promote co-operation between faculty members and student officers.

The Student Council sponsored many different activities throughout the school year. Among some of the special activities for this year were the "Mock Presidential Election" and publication of a handbook called the "Guideline".

Every year delegates were sent to the District Convention and the State S.C.A. Convention. The Bi-Community Council was a new project for G.W.

This year they erected a new bulletin board, provided music in the cafeteria, and supervised the bonfire.

QUILL AND SCROLL

The Quill and Scroll, G.W. High's International Journalistic Society, honored outstanding workers in the field of journalism. Membership to this honor society was granted to those students having two years of outstanding work on one of G.W.'s three publications, plus having the scholastic average to meet the requirements. The student journalists were inspired by the initiation ceremony as they took oaths of TRUTH, LEADERSHIP, and OPPORTUNITY.

The Quill and Scroll edited the "Last Will and Testament" and "Prophecy". In the "Last Will and Testament" each Senior bequeathed his likes and dislikes to friends. The "Prophecy" gave a brief resume of Seniors' future hopes.

QUILL AND PALM

In order to qualify for this national honor society, you must have an average of at least ninety-two, along with outstanding qualities of character, leadership, and scholarship. The giving of the semi-annual invitations for new members of the Quill and Palm was looked forward to by all who were eligible.

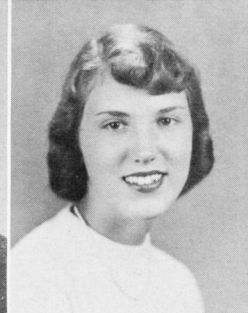

Annually at Thanksgiving time, the Quill and Palm sponsors a dance to raise funds for their treasury. The "Football Frolic", as this year's was called, was held in the cafeteria after school. The program was high lighted by the girls dressed as football players and the boys dressed in the cheerleaders' uniforms. Also to raise money, the club sponsored a bake sale at Farmers' Market that proved very profitable. The money raised went towards providing a fifty dollar scholarship. The scholarship was awarded to the member most deserving.

COMPASS

The "Kompas Kids' " main purpose, in working the year long on one subject, was to put out the G.W. yearbook. The yearbook will enter in State-wide competition, and after being studied for a three-day period, will receive a rating.

After the appointment of the new editors for the following year, a course at Catholic University was extended to the students in order to assist them in the technicalities of editing a yearbook. The course lasted for a three-day period of instruction and advice on the details of a yearbook.

In recognition of the Christmas holidays, the staff adopted two elderly ladies. Presents were wrapped at the annual Christmas party for presentation to them.

For relaxation, the staff held a picnic in May. Also, around that time of the year, the "coming out" party for the 1957 "Compass" was held.

SURVEYOR

In the past school year, the "Surveyor," G.W.'s thirteen year-old newspaper, stood for work and achievement.

The editor-in-chief and assistant editor were in charge of a diversified staff of students, namely: sports, news, advertising, and feature editors, and also reporters. If a student's original assignment filtered through all the channels successfully, it was typed and proofread. After being proofread, the paper was sent to the G.W. Print Shop and rolled off the press.

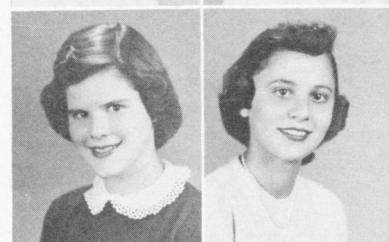

Published bi-weekly, the united "Surveyor" staff circulated sixteen issues during the year.

FRENCH CLUB

The French Club was exactly what its name implied, an organization for G.W. students who were taking, or had at some time, taken French. Anything pertaining to France, its people, its language or customs, was the subject matter of the meetings. All subjects ranging from art and biography to slides and movies were discussed, provided that they were associated with France. The French Club hoped that through the many activities of the year, they had shown French habits and customs to those G.W. students who were interested.

The French Club sponsored an assembly every third year. This was worked in cooperation with other language courses. Also a scrapbook was sent to Carcassonne, France, this spring. Twenty members totaled the French Club enthusiasts.

LATIN CLUB

The members of the Latin Club enjoyed portraying life as lived in Roman days. The highlight of their activities was a Roman dinner typical of the locale.

A visit to the mythology collection at the National Art Gallery in Washington was one of the club's excursions. This activity was just an example of the many functions that explained and put into actual use their purpose: "To further the interest of Latin students, enlarge the students' background in Latin, and for the enjoyment and pleasure of the Latin classes."

In an effort to raise more money to put into the treasury of the Latin Club, the members held a bake sale at Farmers' Market in Alexandria.

SPANISH CLUB

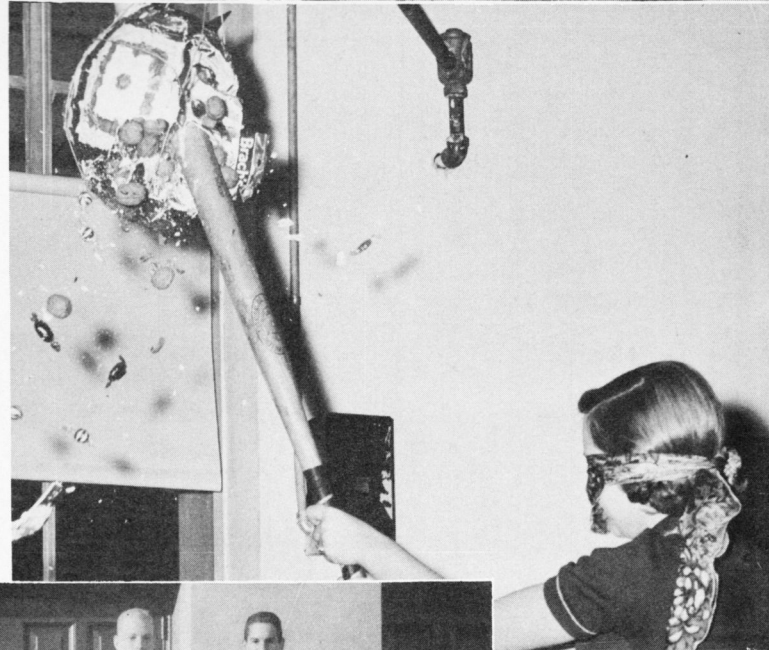

To qualify for membership in the Spanish Club, a G.W. student must have had at least one year of Spanish. New members, upon their initiation, were expected to provide some manner of entertainment for senior members. Meetings were conducted predominantly in Spanish.

Once a year the club holds a "Pinata Party." At their last fiesta, the club had a genuine pinata filled with candy, peanuts and gum for blindfolded contestants lucky enough to break it. Another activity of the Spanish Club was decorating a float for the Thanksgiving Parade.

DRAMATICS CLUB

Do you have stardust in your eyes? In case you do, the Dramatics Club is for you. The Dramatics Club tried to promote dramatic interest at G.W. and to acquaint students, who are interested in drama, with all the aspects of the theater needed for the production of a play. The club experimented with the presentation of different plays for the purpose of G.W. students' reactions.

"Stardust," a three-act comedy, was a winter production of the club. This production was directed by a student, who was chosen by the teacher sponsor. The dramatists also planned a spring production with all members participating in the acting, producing, or the business arrangements necessary to a play.

During regular meetings of the club, students gained experience by presenting original skits or excerpts from well-known plays.

FUTURE HOMEMAKERS OF AMERICA

The Future Homemakers of America enjoyed helping G.W. in its festivities. The members baby-sat for the Parent-Teachers' Association, sponsored the Shamrock Hop, helped with the clean-up, paint-up, fix-up school project and family night.

The club encouraged democracy in home and community life, and hoped to promote international good will. The Future Homemakers of America fostered the development of creative leadership, and furthered the interest of the students in home economics.

FUTURE BUSINESS LEADERS OF AMERICA

The F.B.L.A., or Future Business Leaders of America, tried to acquaint the members of the club with the responsibilities they have to face in the business world. The F.B.L.A. hoped that the activities they participated in gave the students a better knowledge of business and business conditions.

The Future Business Leaders took part in the Regional F.B.L.A. Convention as well as the State F.B.L.A. Convention. Many hard workers participated in the two yearly conventions. The club invited people to speak at their meetings, and to show movies.

"THE FINAL TOUCH"—Frank Ballenger makes this comment to Windsor Demaine as they prepare presents for the Christmas still life.

ART CLUB

The Art Club helped G.W. students to further their interest in the different forms of art. The club offered the opportunity for members to learn about the various artists and also an appreciation of art media. The students also learned how to work with art media.

In the fall the Art Club took a trip over to Washington to visit the National Gallery of Art. The members also hoped to visit the Gallery again in the spring. The club had, in preparation for the trip, slide lectures concerning art.

An Art Carnival was sponsored by the Art Club for the first time this past year. Students' pictures were entered and judged upon popularity and artistic achievement.

ASTRONOMY CLUB

The Astronomy Club hoped to increase the knowledge of students interested in astronomy. This was accomplished by bringing members into contact with others who had an interest in astronomy. The club was connected with Science Clubs of America.

The members enjoyed observations from the Fort Belvoir Planetarium, the Naval Observatory, and Shooters' Hill. During the summer, a representative was sent to the Tenth Annual Convention of the Astronomical League held in Miami, Florida. Another member of the Astronomy Club visited the Hayden Planetarium in New York. The club also attended the program titled "Skies Over Washington" which furthered their interest in Astronomy.

THE THESPIAN CLUB

"Soften those lights! Pull the curtains! Put more life into your part!" Those were some of the commands you might have heard at one of the meetings or rehearsals of the Thespian Club. The Thespians promoted student directing and encouraged the advancement of Dramatic Arts. They prepared and enacted in public an original play.

The Thespian Club is a National Honor Society and the ruling body of the Dramatics Club. In order to become a member of this group, a student had to earn a hundred hours or ten points. These hours or points were gained through the Dramatics Club, by working on the make-up, scenery, painting, props, publicity, lights or costume-making committees.

Y-TEEN CLUB

The G.W. Y-Teen group was one of the most active organizations in the school.

At the beginning of the new school year, the group visited the Tower House, where an officers' training conference took place. Following this, several members were chosen to represent the G.W. Y-Teens at a State Conference in Richmond, Va.

Included on the busy agenda for this group was a three-day trip to New York in March. Also, a fashion show was sponsored by the members, and was held in the school auditorium. The clothes for the show were provided by Hayman's and Cohen's Shops.

DOUBLE-BARRED CROSS

The Double-Barred Cross hoped to instill in its members the knowledge of the prevention of tuberculosis and its symptoms. The members of this club, who were interested in nursing, made trips to sanitariums and hospitals. Here they learned more about major diseases through observation. They also gained additional information at their monthly meetings, when speakers were invited to tell the Double-Barred Cross more about the nursing profession.

This year, for the first time, the club sponsored the "Double-Barred Cross Day." Pamphlets explaining the club's activities were given to each student at G.W. This was part of a program to inform the students about tuberculosis. The members of the club performed another service by typing out forms for the chest x-rays.

WORLD EVENTS CLUB

What in the world is going on? This very question was one main topic of the World Events Club discussions. With all of the many world situations this past year, the members of the World Events Club never lacked a topic of discussion. The club hoped to encourage the students in world affairs as well as current events.

Members from the World Events Club attended a conference at George Washington University to discuss and resolve the United States' policy for disarmament. The students also participated in a United Nations' Assembly.

LIBRARY CLUB

A Christmas party highlighted the yearly activities of the Library Club.

Students who participated in the Library Club were all library assistants. Their duties included checking books, both going out and coming in, arranging the shelves, and being, in general, apprentice librarians. In order to become fully acquainted with all aspects of library work, the members rotated the different duties. At irregularly scheduled meetings, the club discussed new books.

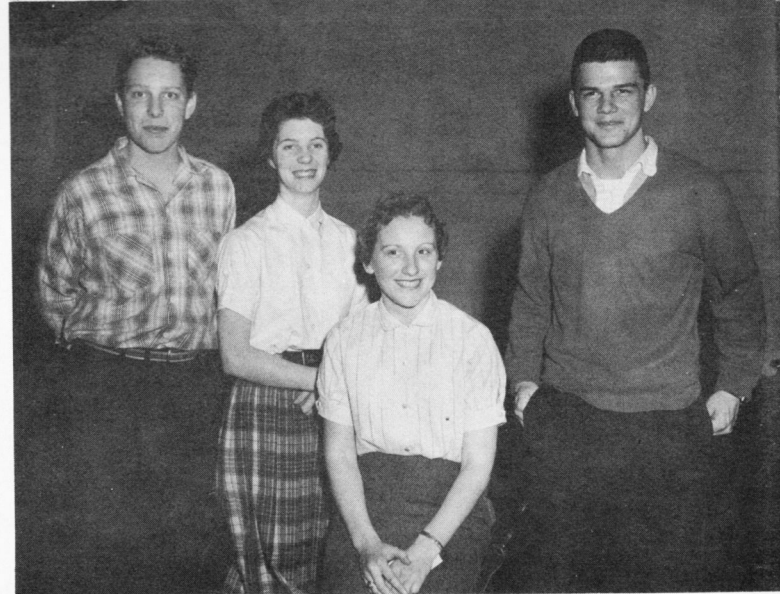

LIBRARY ASSISTANTS—*Front Row:* Bette Clark, Marianne Lewis, Ann Tothill, Kay Golt, Patsy Kerns, Lola Daniels. *Second Row:* Evelyn Jones, Margaret Nolan, Karen Holmes, Gwen Duehring, Nancy Scott, Cynthia Fulwiler, Peggy Dowdy.

MONITORS

The G.W. monitors were members of the Junior or Senior classes. The twelve monitors volunteered for this duty as a substitute for physical education.

During lunch periods, the monitors were charged with the responsibility of keeping those floors in the building clear where regular classes were being conducted.

ON THEIR GUARD—The hall monitors are: John Munson, Mary Donnahue, Ellen Cook and Gene Ross.

BOOK ROOM

The bookroom supplied the entire student body with an average of six books per student. Under the supervision of a faculty adviser and with the help of the student assistants, all of the 9,600 text books were counted and distributed.

"BOOKKEEPERS"—Miss Whittaker, Mrs. Drury, Mardie Reed and Marty Lumbard.

OUR CREED—The Bible Club officers Barbara Hoge, Treas.; Mrs. Morgan, sponsor; Jack Flowers, Pres.; Sandra Nuhn, Sec.; and Joyce Berry, V. Pres. lead the members of their club.

BIBLE CLUB

Throughout this past year, members of the Bible Club have striven hard to fulfill their purpose, "to promote Christian fellowship among the students." Each morning a club member led the student body in devotions over the public address system.

This year the club wrote its first constitution. Other projects of the club included helping various charities at Thanksgiving and at Christmas time, and studying the great religions of the world.

CHEERLEADERS

The cheerleaders for this year were chosen during the preceding spring for their enthusiasm and ability to lead the students in cheers. The varsity squad consisted of ten girls who cheered at all of the Prexies' football and basketball games, including the games that were played at other schools. They did much to promote pep and good sportsmanship, and to encourage the players. The cheerleaders also participated in pep rallies during the year.

In order to raise money for the Cheerleaders' Club, a fashion show was held after school. The models were G.W. students who had had previous experience in modeling clothes. Another project was the selling of tags, with such sayings as "Beat Mt. Vernon," during the lunch period for all the Presidents' football games. A bake sale was held also to enhance the treasury.

DANCING ENTHUSIASTS—Members of the Dance Club danced to records such as "Young Love."

"IN THE STILL OF THE NIGHT"—The members enjoy dancing to a slow tempo.

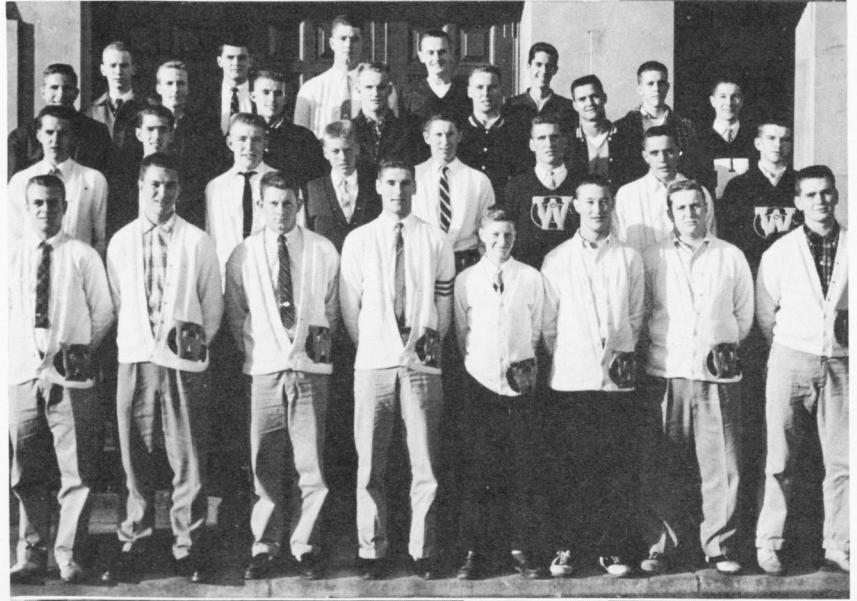

"IS THIS ONE ALL RIGHT?"—says Marty Lumbard, Sec.-Treas. of the Dance Club to Miss Somers and Mr. Murchaugh, Club Sponsors, while Frank Cosimano, Pres.; and Bob Gibbs, V. Pres. look on.

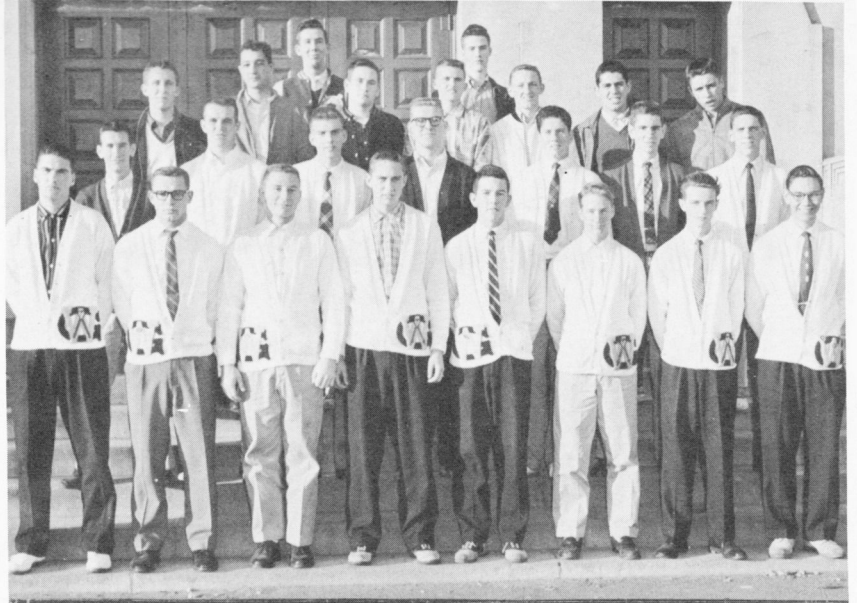

DANCE CLUB

"Would you like to dance?", was one of the most popular questions heard in the G.W. gymnasium on club days. Jitterbug records were enjoyed by everyone, although only a few cared to exhibit their skill on the dance floor. The majority of the members seemed to prefer the slower records, such as "In the Still of the Night" and "True Love." The Dance Club, which was purely a social organization, provided a temporary escape from the worries of school work, and a chance to talk with friends.

HEAD LETTERMEN—The Monogram Club officers, Bob Gibbs, V. Pres.; Chuck Torpy, Pres.; and Lynwood Hodges, Sec. Treas. meet to discuss plans for the club dance.

MONOGRAM CLUB

Fridays were Monogram Days! If you saw an athlete walking around the G.W. halls on Fridays, sporting a varsity letter sweater, you knew that he was a member of the Monogram Club.

A varsity letter must have been earned in some one of the many sports offered at G.W. in order to obtain membership in this club. The different sports represented included football, basketball, baseball, crew, and track.

An annual Monogram Banquet was sponsored by the club, at which time all lettermen were honored. At the banquet special awards to outstanding football players were presented. Football monograms were awarded to all participants in the sport, whether varsity, athletic association, junior varsity, or freshman letters.

BATON TWIRLERS—The Marching Majorettes, Elaine Theimer, Jean Beach, Sue Woolf, Wanda Reed, Sandra Schillinger and Beverly Weller, entertain during half-time at games.

"ATTENTION!"—Drum Majorette, Alice Shaw, calls together the band when marching.

MARCHING MAJORETTES

The marching majorettes participated in a variety of activities this year. Besides presenting a spectacular halftime show at each football game, the marching majorettes "strutted their stuff" in the George Washington Birthday Parade and in the Apple Blossom Parade in Winchester.

Several new twirls, steps, and novelty routines were added to the majorettes' repertoire. Stunts were added to the entertainment, also.

MAJORETTE CLUB

The Majorette Club sponsored many activities this year. The first was its annual Valentine Day Dance. This club, in co-operation with the Grounds Committee of the Student Council, helped towards the beautification of the school grounds. Bake sales were frequently held to raise money for the treasury of the Majorette Club.

Besides being interested in marching, the G.W. students, in order to be members of the club, must know four basic twirls. A booklet containing the reasons the student wished to become a majorette was also required.

DIVERSIFIED OCCUPATIONS

Diversified Occupations, or D.O. as it was better known, was a new addition to G.W. It was one of two new courses being offered by the school.

The club provided a means to gain an insight of and appreciation for opportunities and responsibilities of students in D.O. courses at other schools. It encouraged students to maintain high standards of citizenship.

Seated: Pat Deihr, Sylvia Sheffield, John Moore, Sandy McCullough. *Standing:* Joyce Le Velle, Carolyn Bussard, Douglas Butler, Bobby Hill, Bill Graves, Wayne Oehmann, John Hughes, Mary Lou Fleetwood, Gay Ann Bowman.

FUTURE TEACHERS OF AMERICA

The Future Teachers of America, or F.T.A., was a club open to any G.W. student interested in teaching. They studied and identified qualities, traits and aptitudes related to successful teaching. The club enjoyed guest speakers and panel discussions on the history and objectives of education.

Included in the F.T.A. objectives for the year was the study of the fundamental purpose of public schools. The members secured accurate information on vocational opportunities in education and participated in pre-vocational activities that were explanatory in nature.

LISTENING TO THE MINUET—The Music Club officers, Joan Peikin, Treas.; Cynthia Abramson, V. Pres.; Gail Fitzpatrick, Pres.; Gay Cameron, Sec.; and Miss Bane, Sponsor, enjoy listening to records.

MUSIC CLUB

The members of the Music Club were considered quite versatile. They met on Wednesday mornings and each member had a chance to demonstrate his talent in a special field. At many meetings, club members were entertained by a personality outside of G.W. who showed a particular talent.

The varied talents of members were put to use in presenting the Music Show for the students.

ORCHESTRA

During this past year, the G.W. orchestra had a very limited membership. The entire group was composed of only two flutes, two violins, one clarinet, one cornet, one cello, and one string bass. Despite the lack of members, due to the new Alexandria high school, they accomplished much under the guidance of their new director. This was the year, for the first time, orchestra was a fully accredited subject, and a student was allowed to take it as a subject or a substitute for physical education.

The orchestra hoped to combine with the Hammond High orchestra to present a program at the Music Festival. This festival, held in May, was a greatly anticipated event.

MIXED CHORUS

The Mixed Chorus was composed of sixty two students interested in music. The enjoyment of their blend of voices was further enhanced by their stage appearance.

Throughout the year, the group sang at numerous school functions. At the Thanksgiving Assembly, they presented a program of songs associated with that season. Another activity was singing at the Baccalaureate Services for graduating Seniors. The chorus also sang at the Founders' Day P.T.A. Council meeting held in Hammond High School.

However, the members' main objective for the year was performing at the District Music Festival.

A CAPPELLA

The A Cappella was one part of G.W.'s large music program. This year it consisted of twenty girls who took this course as a regular subject. An audition was required of each student interested in singing with this group. The members worked hard on various programs to be presented during the year. The A Cappella sang appropriate selections for the student body at the Christmas assembly, as well as at the District Festival. The members appeared on a radio program concerning the Music Department of the school and entertained at meetings of the Business and Professional Women's Club in Alexandria. The group also sang for church groups and at both of the graduation ceremonies in January and June.

RESERVE BAND

The Reserve Band of George Washington High School is a regular part of the Music Department of the school. It is under the leadership of the Senior Band director.

The Reserve Band is an organization of music enthusiasts devoted to the training and teaching of future members of the Senior Band. The present membership of the Reserve Band numbered fourteen students. The members selected for the band could be any student belonging to the Freshman through the Senior classes.

The Reserve Band members worked long and hard towards the achievement of their goal. When they had attained their goal of becoming members of the Senior Band, they then were able to participate in all band functions.

SENIOR BAND

The G.W. marching band is better known as the Senior Band. Under the guidance of a new director, the Band entertained the student body numerous times.

The Band was always seen at the football games for a half-time show. They played at all the home games and also at the Lynchburg game held in Lynchburg, Va. The Band participated in the George Washington Birthday Parade and in the Apple Blossom Festival held in Winchester, Va.

Try-outs were held for the All State Music Festival, and those best qualified represented the Band on that occasion.

One of the highlights of the school year was the concert held in the spring, presented in the school auditorium.

TEAM LEADERS—Two year veterans, Bucky Poole (left) and Jerry Alexander, were elected co-captains by last year's football team.

Although last year's record of six wins and four losses did not rate as high as the preceding year's 7-3 record, the 1956 edition of the G.W. Presidents made up for it with a good brand of football consisting of many exciting moments. For the first five games the defensive team excelled, holding the opponents to a mere two points; but then the turning point of

the season came. The Prexies entertained Wakefield and had the roof fall in on them as the Arlington team won 27-19. The Presidents suffered two more defeats, both on muddy fields, before their next victory. Then they regained their winning form just in time to play one of the best games in the history of the rivalry between G.W. and W.L.

LET'S TRY THIS—Head football coach Jim Ford (left) explains some strategy to his assistants, from left to right, J.V. and end coach Bob Tabor, line coach Frank Kapriva, and backfield coach Steve Osisek.

G.W.—27 Annandale—0

The Prexies rolled over the Atoms for their first victory of the '56 season as predicted. Quarterback Mike Delnegro's fine offensive work, and a sterling defensive unit led by Bob Gibbs and Lynwood Hodges spearheaded the attack.

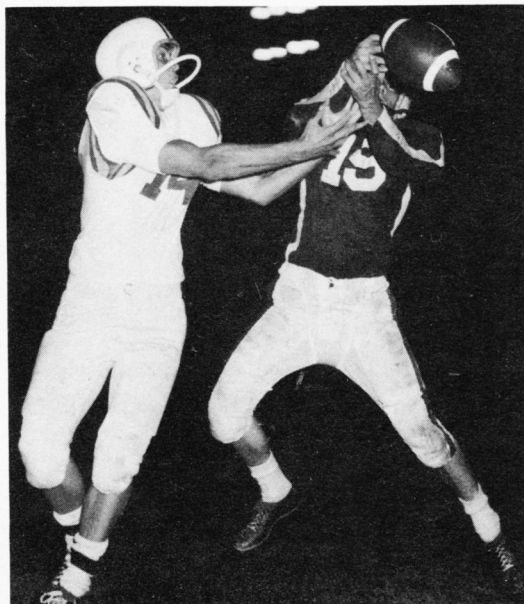

G.W.—7 Bladensburg—0

G.W. played rugged football in winning its second straight game. The Prexies failed to score on three opportunities, but Mike Delnegro's second

period tally was enough to beat the Mustangs. The stalwart G.W. line kept the Bladensburg backs in the shadow of their own goal throughout the game.

G.W.—6 Fairfax—0

In a slow rain and mud battle, the injury riddled Presidents edged the stubborn Rebels to remain unbeaten and unscored on. Frank Cosimano, who scored the game's lone T.D. on a line plunge, was the offensive standout.

UP IN ARMS—Joe Schlusser (19) of Bladensburg knocks a pass out of the hands of Frank Cosimano.

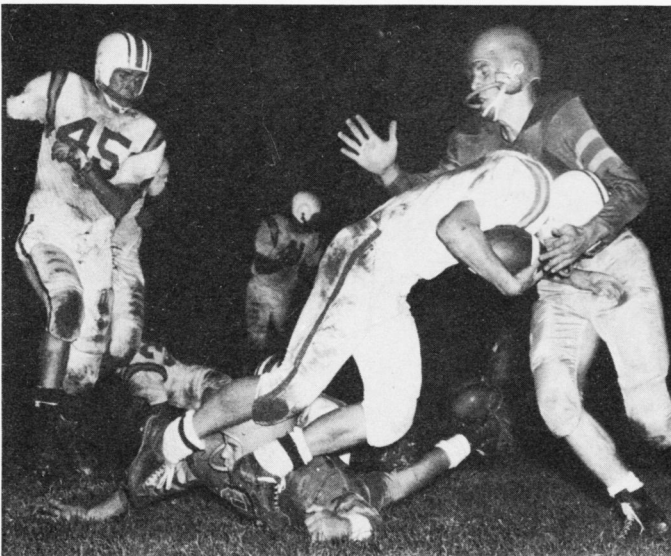

DON'T PEEK—Annandale's Bruce Hewitt pokes a finger in Mike Delnegro's eye as he halts him short of pay dirt in the second quarter.

"down that field"

GRRRRR . . . —Prexie linebacker Joe Middleton (32) moves in for the kill as Frank Cosimano hitches a ride on Charles Teehey (23) of T.J.

OOOF!—Frank Cosimano knocks the wind out of Wm. Fleming's Bob Aveson as he picks up a first down.

G.W.—18 Wm. Fleming—2

The Presidents came up with a great running attack to defeat William Fleming of Roanoke for their fourth straight win. Jerry Alexander and Frank Cosimano scored the first two touchdowns and quarterback Mike Delnegro scored from half a yard out for the final tally.

G.W. was scored on for the first time during the season when a William Fleming end blocked Bob Garda's punt in the end zone for two points.

DOWN YOU GO—Fred Bernhard (46) and John Timberlake of G.W. combine their efforts to halt Woody Wood of Wakefield.

G.W.—6

Thos. Jefferson—0

The Prexies turned in one of their best defensive efforts of the year as they turned back a strong T.J. team from Richmond. In the fourth quarter T.J. made their lone drive, but it was halted on the G.W. two. Jerry Alexander scored the only tally on a six yard run.

G.W.—19

Wakefield—27

A fired-up Wakefield team led by quarterback Woody Wood outclassed favored G.W. to hand the Prexies their first defeat. The Mike Delnegro to Bob Garda passing combination kept the score close by clicking for two T.D.'s.

G.W.—13

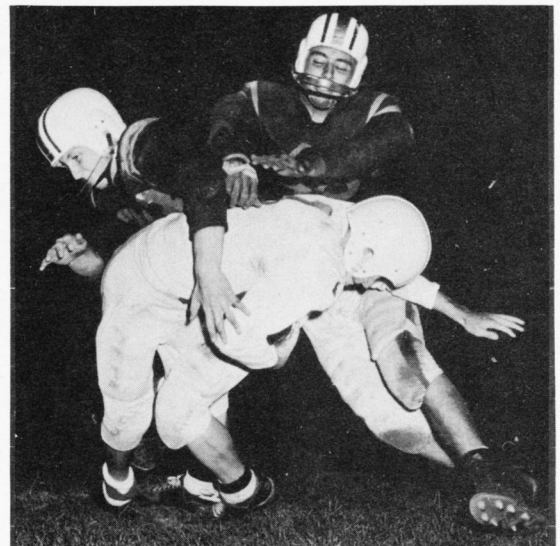

E. C. Glass—26

The Prexies traveled to Lynchburg seeking their sixth win but came back empty-handed. It was a case of too much All State back, Ronnie Ballard, who personally made Glass's powerful single wing attack work.

G.W.—13

Portsmouth—20

Playing in a constant downpour and on a field of mudpuddles, the Prexies bowed to defeat in the last minute to a persistent Portsmouth eleven. The game was tied at 13-13 going into the last two minutes when a Portsmouth linebacker intercepted a Mike Delnegro pass and ran 60 yards for the winning score.

"block that kick"

G.W.—39

Mt. Vernon—6

For the third consecutive year, G.W. romped over Mount Vernon. The Presidents bounced back from their downstate loss as Bob Gibbs scored twice in the first half to give them a 12-0 half time advantage. From there the Prexie substitutes took over against the tired Majors. Frank Cosimano, Jerry Alexander, Bob Garda and Billy Dempsey scored in the second half for the victorious Presidents.

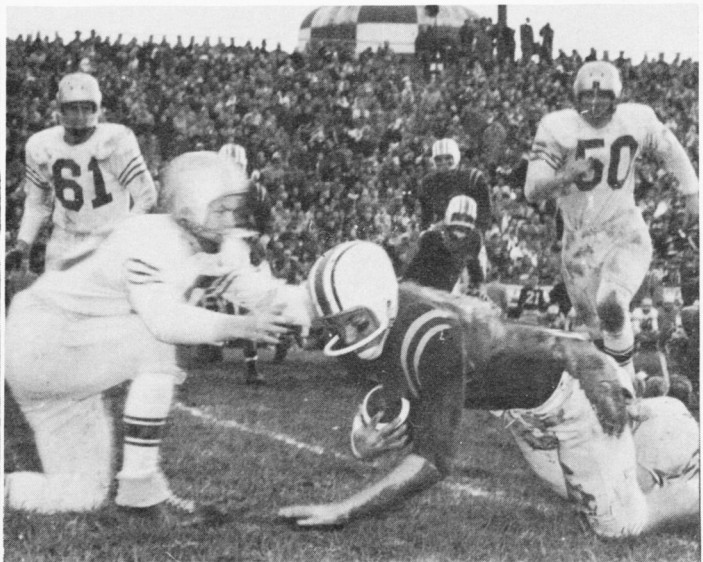

G.W.—0

W-L—3

For the past years the annual Thanksgiving Day clash between G.W. and W-L has been a close, evenly-matched ball game. This year was no exception. W-L, after nine straight victories, had the State Championship at stake and were heavy favorites over the Prexies. But it was G.W. that looked like the State Champs as they consistently held W-L and moved the ball well on offense only to be stopped several times deep in general territory. This mastery lasted until the final seconds of the game when W-L's Wayne Ballard kicked a field goal from the 32 yard line that hit the crossbar, bounced high and fell over to win the game 3 to 0. Although G.W. lost this game, the hard running of the backs and the explosive line play produced a true team effort.

OPEN WIDE—John Timberlake performs some dentistry on Mt. Vernon halfback Mike Hicks as the speedster skirts end.

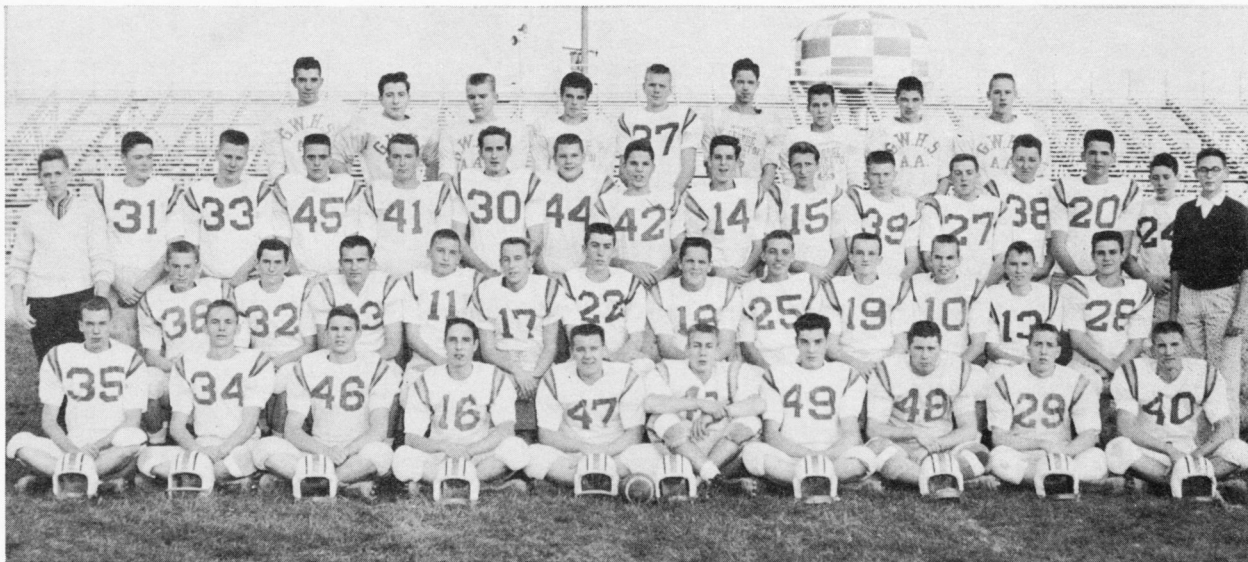

QUEEN FOR A DAY—Last year's queen Martha Duke (left) ushers this year's queen Sue Hart through the G.W. cadets' saber arch.

JUNIOR VARSITY FOOTBALL

The Vice-Presidents had a rough go of it in their second year under coach Bob Tabor. They scrambled through their five game schedule with but one victory. However, that was enough to overshadow their four defeats as it was a 12-7 win over the highly respected Little Generals of W-L. Their four losses were to the Hammond

varsity, and the J.V. squads of St. Johns, Episcopal, and Mt. Vernon.

Jeff Wolford was the standout offensive performer as he scored all of the team's three touchdowns. Don Dill was elected team captain at the close of the season for his fine all around play.

ATOMIZER—Mike Delnegro receives the Dinky Scott Trophy for his fine play in the Annandale game from Harold Payne.

AWARDS

Several boys received awards throughout the year for their outstanding play on the gridiron. The annual Dinky Scott Trophy for the most outstanding player in the first game of the year went to quarterback Mike Delnegro. End Bob Garda, three year varsity letterman, was voted the Most Valuable Player by his teammates.

As a team, the Presidents won the Sportsmanship Trophy by trouncing the Mt. Vernon Majors 38-6. However, they failed to gain the all important third leg on the Old Oaken Bucket and had to give it to W-L. Although they received no specific award, the sterling defensive play of linebackers Joe Middleton, Lynwood Hodges, Moose Jacobs, and Chuck Torpy was highly praised throughout the year.

Those Prexies mentioned on the All Northern Virginia teams were Bob Garda and Fred Bernhard, first team, and Jerry File, second team. Garda and Bernhard were also named on the All State Team.

VARSITY BASKETBALL

The G.W. basketball squad compiled an outstanding 22-2 record for the 1956-57 season which was the second best record in G. W. history. This included a tremendous string of 21 victories. Coach Steve Osisek considered this year's team to be the best he has coached, as they had depth and fine team spirit.

Behind the top-flight play of three returnees from last year's first team, high scoring co-captains Walt Densmore and Bob Garda, Mike Delnegro and two transfer students, Doug Brown and John Parker, the Presidents were undefeated in Northern Virginia play. Densmore finished with an overall average of 23 points and set the school's record for one season with 506 points. He was on the All-Northern Virginia first team along with Garda, and Delnegro was on the second team.

CO-CAPTAINS AT WORK—Walt Densmore (35) and Bob Garda (25) fast-break against W-L for two drive-in lay ups as Bucky Poole (21) and John Welch (32) look on with approval.

LEFTIE—Prexie John Parker (24) goes up for a two-pointer against Annandale.

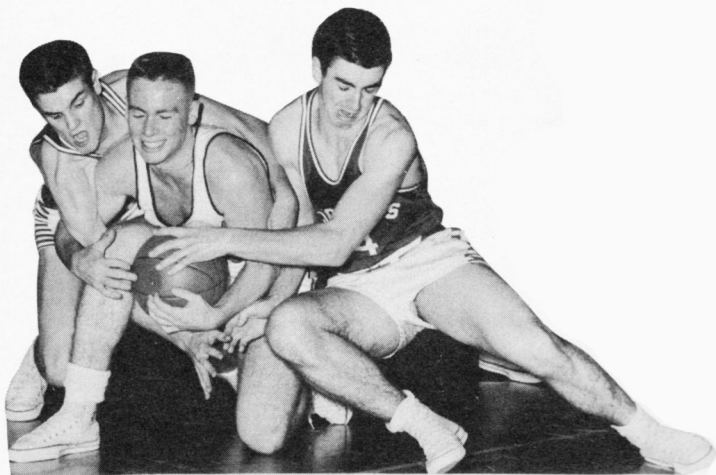

JUMP SHOT ARTIST—Bob Garda scores on his patented jump shot against W-L.

TOURNAMENTS

The Presidents romped over Mt. Vernon and Annandale and squeezed by Wakefield in a double overtime to win the Northern District Tournament and go to the State Tourney. Their first game in Richmond was an overtime loss to red hot Virginia of Bristol, and the second a two-point consolation victory over E. C. Glass.

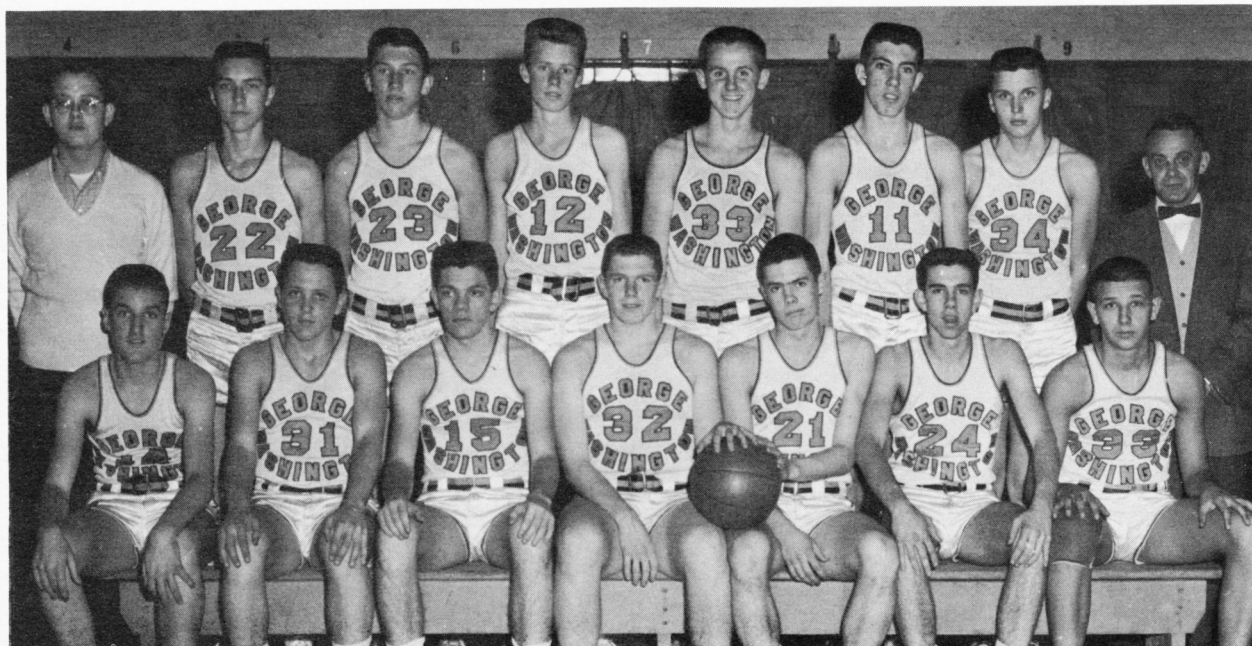

BROWN HITS—Doug Brown, G.W. guard, gets off a shot between Tom Scott (43) and Bob Lewis (45) of Hammond.

NEED A HAND?—G.W.'s hustling playmaker Mike Delnegro seems to be well armed as he fights for a loose ball against the Falls Church Jaguars.

Walter Seay, Dave Gootee, Bob Clore, Jesse Orrick; Coach Louis Schreiner.

JUNIOR VARSITY BASKETBALL

Coached by Mr. Louis Schreiner, who was in his first year as J.V. basketball coach, the junior varsity compiled a good 12-5 record. Herman Riley was their leading scorer with an average of 11.6 while Dick Kemper, Bob Clore, George Barnes, Dave Gootee, and George Seay also played top flight ball. Their most thrilling victory was an overtime win over Hammond's Vice-Admirals in their second meeting.

Bostwick, Doug Cockrill, Doug Garthoff, Tom Morrison, John Chadwick, Co-captain Bill Worley, Coach Frank Marino.

FRESHMAN BASKETBALL

The freshman team played a rugged 16 game schedule which included games with the J.V.'s of Montgomery Blair, B.C.C., and Wilson. They won four behind team Co-captains Jim Arnold and Bill Worley who were consistently in the double figures.

GET UP DEL—G.W. guard Mike Delnegro (22) goes up for a jump ball against Hammond's Bob Mitchell (44) at mid-court.

REBOUND—John Welch (front), John Parker and Mike Delnegro (22) reach for the ball as Doug Brown (33) looks on.

TOP MEN—Jerry File and Mike Delnegro, Co-captains of the baseball team, get instructions from Coach "Nubby" Schreiner.

VARSITY BASEBALL

The baseball team, as many other Prexie teams this year, has an unusually large number of returning lettermen. With an experienced ball player at every position, G.W. is a sure bet to better its fair 6 win and 9 loss record of the 1956 season. Coach Louis Schreiner feels that with some improved pitching and hitting they will be in good shape.

JUNIOR VARSITY BASEBALL

Under the direction of Coach Harry Ricer, the J.V. baseball team should again be a strong squad. He has some 50 freshmen

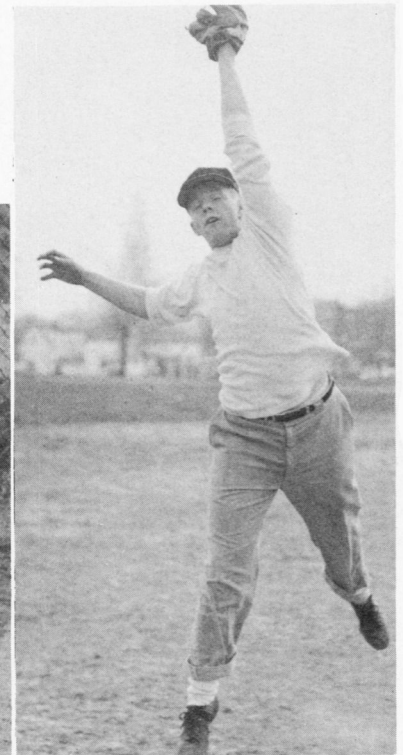

and sophomore candidates from the Junior Major League from which to choose.

GET ONE—Coach "Nubby" Schreiner hits infield practice as Leon Jewell looks on.

TRACK

With Coach Bob Tabor taking over the reins of the track team from Harry Caughron, the Prexies will have at least one experienced man in every event. Co-captains Dave Stryker and Bob Garda will be G.W.'s front line men in the dashes and the high and low hurdles respectively. Bob was second in the high hurdles in last year's State Meet and is a good prospect to win it this year. Scott Edson, a transfer student will be running the 440 while Carlin Ridgely, John Garten, and Pete Schultz will be entered in the long distance events. Phil Hale in the pole vault and shot put, and Bucky Poole in the discus are the Presidents' best bets in the field events. Depth will be the main problem for the Tabor-men, who last year won the Memorial Relays as well as being undefeated in dual competition and finishing third in the State Meet.

GET SET—Bob Garda (left) and Dave Stryker, co-captains of the 1957

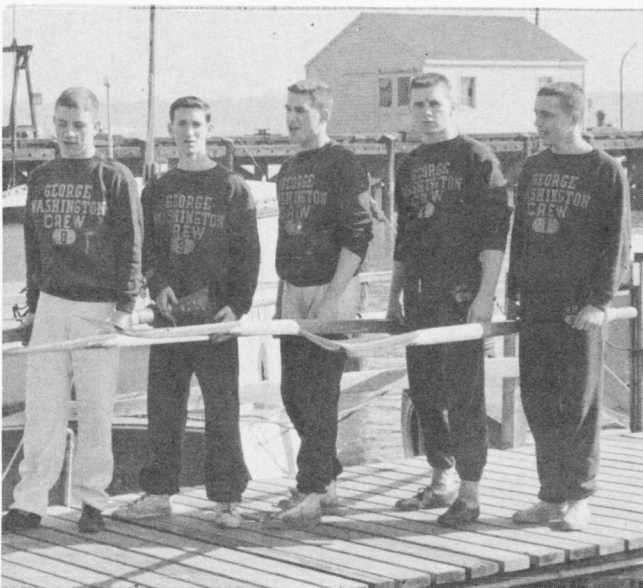

team, practice getting out of the starting blocks prior to a big meet.

VARSITY CREW

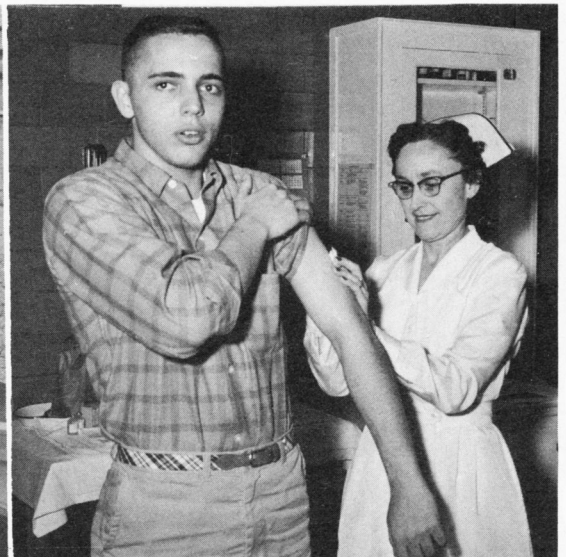

Things look good for Coach Julian Whitestone and his Prexie crew this year with five boys, Bill Roberson, Chuck Torpy, Jim Stewart, Bill Dalkin, and Mel Fortney, returning from the 1956 varsity eight oared shell. There will be several upperclassmen going out for the team for the first time and are large enough to give the crew added strength.

Nevertheless, it will still be difficult to match last year's record when they won the Statesbury Cup and the coveted National Championship.

Although the future looks bright for the varsity eight, some of the J.V. crews are a question mark since many experienced boys are now at Hammond.

WORKING HARD— Bob Logan, Milton Rogers, Buddy Bryant, and Barry Roberson clean up a shell before taking to the water.

BIG SHOT—Bill Dalkin receives his typhoid shot, which is given free to crew candidates, from Mrs. Carr.

GOLF

Going into its third year of existence, the golf team coached by Steve Osisek is expected to better its mediocre record of 1956. Led by lettermen, Charlie Holden, Jim Anderson, Tom Ryan, and Walt Densmore, they will play a nine match schedule consisting of all Northern Virginia schools. Holden, only a junior, has been on the team two years and will probably be the number one man. If things go well and they win the district championship, they will have the right to represent the area at the State Tournament.

PUTTERING AROUND—Tom Ryan, using his trusty putter to his best advantage, sinks a long putt as teammate Spike Callander holds the pin and looks on with great admiration.

IRON MAN—Two year veteran, Jim Anderson, blasts out of a sand trap during a late afternoon practice round at Belle Haven Country Club, the home course.

"IT'S MINE!"—Kathy Taylor, G.A.A. member referees sophomore girls Sharon Van Sise, Connie Ward and Mary Komoroske in basketball during 6th period.

GIRLS' ATHLETIC ASSOCIATION

The Girls' Athletic Association, or G.A.A. as it was better known, encouraged all girls to participate in sports. In the fall, there was a bowling tournament which was held at the Alexandria Bowling Alley every Wednesday afternoon. During the winter, the G.A.A. sponsored intramurals and participated in interscholastic basketball games. In the spring, there were wisket and softball intramurals along with softball games with various other schools. The G.A.A. had a Christmas party where gifts were exchanged.

In order to meet G.A.A. requirements, a prospective member had to earn a set number of points.

the marching corps

COLONEL PAUL HENRY MAHONEY

Colonel Paul H. Mahoney, military science teacher at G.W., has an excellent background for his position. After his graduation from West Point, he served in the Army continuously from then until his retirement in 1953. He taught an ROTC course in a private school in Wisconsin. He organized and supervised the gold movement from New York to Fort Knox. He also served in the Philippines.

COLOR GUARD: Color Sergeant Moyer, S.F.; Color Sergeant Terry, M.; Color Sergeant Jones, L.R.; Color Sergeant Francis, C.L.

Cadets were taught marksmanship, weapons, leadership, drill, ceremonies, inspection, physical training, small unit tactics and formation. The corps marched in battalion parades and the George Washington Birthday Parade.

Freshmen cadets studied courtesy and customs of military organization, hygiene, first aid and individual equipment. While sophomores learned map reading and field sanitation, juniors learned the teaching methods, map and aerial photographs, and the different branches of the Army. The seniors were taught the rudiments of military tactics.

CADET CLUBS

The Saber Club sold programs at football games, and also helped with the Cadet Ball. The membership of this club consisted of only the male officers of the Cadet Corps.

The organization of a security guard force came under the jurisdiction of the Chevrons' Club. This club took the cadet popularity poll, and it was sponsor of the usher squad.

The Liwiski Club was composed of female officers and the non-commissioned officers. They were the sponsors of a bake sale and a Christmas party. They also took an active part in planning the Cadet Ball.

RIFLE TEAMS

Opposition became sharp when the George Washington High School Cadet Corps' rifle teams entered in shooting matches against other high school rifle teams. This included both the boys' and girls' rifle teams.

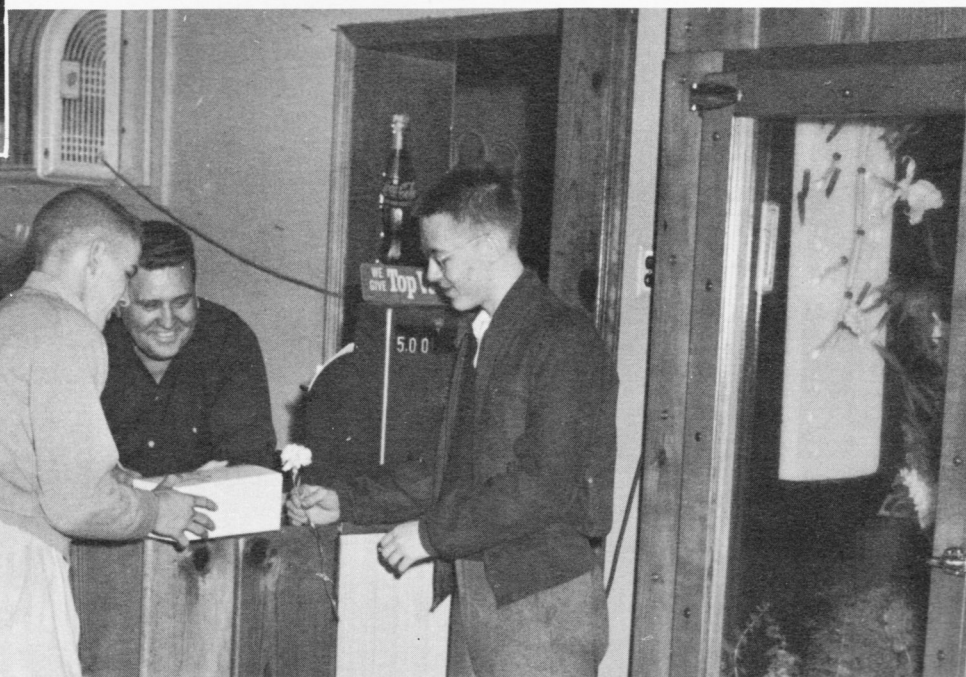

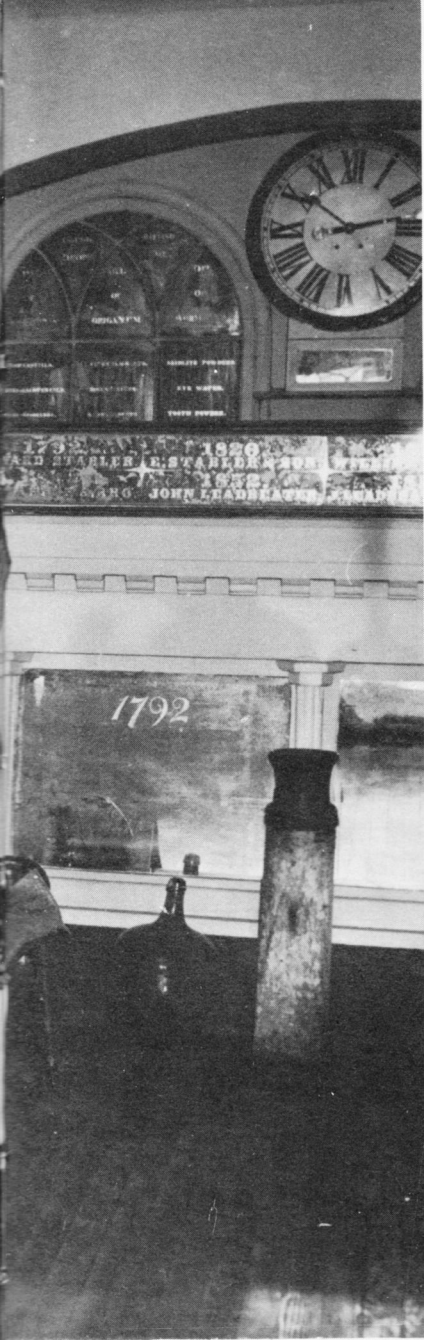

The rifle teams represented the Cadet Corps of George Washington High School in the many matches where they displayed their shooting abilities. The G.W. rifle team won its big match against Northwestern High School. They went down in defeat in a match against Randolph Macon Military Academy, although they placed well in the final results. The team also shot a match against the Naval Academy's plebe rifle team.

Only superb marksmen qualified for positions on the rifle teams. Members of the teams were working towards obtaining distinguished and expert ratings. Many of the members have received these ratings.

FANNON'S . . . Your Dad and Mother know us well. Long before the Washington Monument was completed we were serving the people of Alexandria and Fairfax County with Fuel. Graduation time is near and to all those who have succeeded in meriting the coveted award of "BEING GRADUATED" we extend our best wishes. We earnestly hope that each George Washington Graduate will measure up to the Golden Opportunities that lie ahead.
